Bella Dia Salon and Day Spa believes in giving back to the community. When the Southern California Hospice Foundation contacted them to help fulfill a patient's dying wish - to have a mother/daughter spa day - they were welcomed with open arms and treated to an afternoon of pampering.

Now, Bella Dia Salon is helping to further the mission of hospice care in our community by hosting a Cut-A-Thon on Sunday, March 15th for the fourth year in a row!

All ages welcome!
