

Southern California Hospice Foundation

2016

LA Wine Soirée

7th Annual LA Wine Soirée | Saturday, October 8th

The Fruit of the Vine & Hospice...

A perfect pairing

The **Southern California Hospice Foundation** was established in 2002 with a grand vision: to open a hospice house in Southern California that serves as a live-in facility for end-of-life care. As we build that dream, your generous donations enable us to provide community education, and direct patient assistance. Overall, we seek to provide the terminally ill children and adults we serve with love, dignity and compassion.

7th Annual LA Wine Soirée

Motivated by our mission, we gather each year to celebrate those we serve, and to raise funds in order to grow our vital work in the community. This year, the LA Wine Soirée will be held on Saturday, October 8th from 6:00 - 9:30 PM. The event will feature a wide variety of wines, delicious food, an amazing silent auction, and the "Start Your Own Cellar" raffle where you can win 100 bottles of wine! Only 100 tickets will be sold.

The Rooftop at the LA Athletic Club

Enjoy breathtaking views of the downtown LA skyline from the rooftop of the Los Angeles Athletic Club, where you will experience traditional elegance with beautiful decorations, rich colors, and amazing class. Since 1880, The Los Angeles Athletic Club has established a philosophy by which health of mind, body and spirit flourish.

**The Los Angeles Athletic Club is located at:
431 West Seventh Street, Los Angeles, CA 90014**

***Please note the rooftop is only accessible by a short staircase**

ONE WILSHIRE

LA Wine Soirée Saturday, October 8th

Every level of sponsorship greatly benefits SCHF in its mission to help hospice patients throughout the next year. Your donation allows us to fulfill the needs of patients receiving hospice care, grant dying wishes, educate our community about end-of-life issues, and support our dedicated caregivers. The business and personal rewards received through your association with SCHF are beyond measure. Because of you, patients are treated with dignity, experience respect, and feel truly valued. You can't put a number on that.
